

Fuck the systems that tell us what grrrls should look like, act like and be!

Let's create our own non-hierarchical ways of being,  
based on communication and understanding.

Come create SLC's first Riot Grrrl Group as a safe and inclusive space  
for all who live or have lived under the cultural sign of woman/fem  
or are affected by the gender binary.

No one's identity will be policed,

if you think you belong or relate to a group like this, please come!

RIOT  
GRRRL  
SALT LAKE CITY

Friday February 5th and Friday February 19th  
starts @ 7:00 pm

@ Boing! Collective 608 South 500 East
